

# Mentor Introduction Package

**DeltaHacks VI**

January 25th and 26th 2020

McMaster University

## Introducing DeltaHacks VI

Welcome to DeltaHacks! DeltaHacks is a weekend-long event where students with different backgrounds work together for 24 hours to create an innovative technological solution to a real-world problem. As a Technical Mentor, you will be sharing your valuable expertise with our attendees and helping them bring their projects to life. We look forward to working with you to make this year's DeltaHacks a huge success!

# Before the event

- A Please join the Slack group and set up your profile including a picture of yourself and contact information. Also, include things that you consider to be your expertise/strengths in your profile to help the attendees find you
- B Another information package with maps and the finalized schedule will be sent out closer to the start of the event
- C Send a photo of yourself to [relations@deltahacks.com](mailto:relations@deltahacks.com) if you would like to be included on our website

# During the event

**1** Registration starts at 8:00 AM on January 25th and runs until 10:00 AM. If you can not make it during these times, reach out to us at [relations@deltahacks.com](mailto:relations@deltahacks.com) and let us know what time you will be there so we can get you registered

**2** The event is expected to end at 6:00 PM on January 26th with hacking ending at 12:00 PM. You are welcome to come at any time during the event to help out

# Intellectual Property

By default, an intellectual property created at DeltaHacks VI belongs to the student team, and the team agrees that any member of the team has the right to continue to develop the ideas and software either individually or as a group. Where there are commercial possibilities for any project, it is recommended that the parties involved agree in writing on the sharing of the financial returns. When making these agreements, keep in mind that our attendees are not licensed professionals. Your goal is to collaborate with our attendees but you should not expect to leave the event with a fully functional application or website. If you have any questions or concerns about this, please email [relations@deltahacks.com](mailto:relations@deltahacks.com).
