

Sponsor Information Package

DeltaHacks VI

January 25th and 26th 2020

McMaster University

Introducing DeltaHacks VI

DeltaHacks is extremely excited and grateful to have you as a sponsor this year! Without your support we wouldn't be able to make DeltaHacks the marvel it is, and we really appreciate it! With the event just around the corner, we've assembled this package for you that outlines some general information for our event! Again, we thank you for your time and commitment, and look forward to having you at DeltaHacks!

If you have any questions and/or concerns, please feel free to contact us at sponsorship@deltahacks.com, and we'll be happy to help!

Registration

- A At the beginning of the event, you will need to register at our front desk in order to get your DeltaHacks VI Sponsor Packet. The registration desk can be found right at the front entrance of the H.G. Thode Library of Science and Engineering. Registration will start at 8:00 AM on Saturday, January 25th.

The Sponsor Packet

- A Upon registration, our team will provide you with a 'Sponsor Packet' that will contain everything you'll need throughout the event. It's where you'll find your sponsor badges, parking passes, run down of the entire event, and other related information.

Restricted Areas

- A Restricted areas will be marked off with yellow caution tape.
- B Breakfast, lunch and dinner will be provided on the first floor of Thode. If you have any dietary restrictions, please inform one of the volunteers immediately.

Fire Drill

- A There will be a Fire Drill at 2:30 PM in ABB. We ask that all sponsors promptly leave the building and follow our Fire Wardens (who will be wearing orange safety vests) to the nearest emergency exit and wait until the fire department has cleared the building for further activities.

Entrances and Exits

- A All entrances will be locked apart from the main entrance of Thode. Entrances will be marked by signs.

Meal Process Area

- A All meals and snacks will be served in the food area next to the Reactor Cafe. If you have any dietary restrictions or allergies, please inform the volunteers at the food tables and they will direct you to the alternative meals section.
